

About *Hard Return*

12 men locked in a compound
12 men watching their every move
1 man murdered

When Jason's friend Lewis is trapped in a secret prison compound with a murderer, Jason must go back behind bars – but Amy won't let him go in alone. Hiding their intentions from both the convicts and their watchers, they work together to find justice for the murdered man while keeping their cover. As the danger mounts, Jason, Amy, and Lewis find there might be no escape for any of them – except in death.

Praise for *The Amy Lane Mysteries*

“Rosie Claverton has produced a highly original heroine with truly authentic strengths and flaws, in this stunning addition to the psychological crime thriller genre. Definitely recommended.” Zoë Sharp, creator of the bestselling Charlie Fox thriller series

“Deft writing, fabulous characterisation and a plot that never lets go.” Dave Sivers, author of the Archer and Baines crime series.

“A fantastic flawed but brilliant partnership. The role of the digital world in catching criminals gives this book a new and exciting edge.” #10 on WHSmith's Crime Books We Want to See on The Big Screen.

“Rosie Claverton has played the alchemist here, and created literary gold from very base metals.” – Crime Fiction Lover, 5* review for New Talent November 2014.
